Welcome to Rocco's

Inspired by the Giovanni Family Patriarch, we decided to bring his passion for fresh authentic Italian food to the public by establishing the first Rocco's Deli Italiano in 2009.

At Rocco's, we want to bring the inviting feeling of the old neighborhood a little closer to you. We want to be more than just a place to eat, but rather a gathering place where you and your friends, family, and coworkers can slow down, enjoy a great meal, and relax.

With only the day's freshest ingredients, home-made pastas and entrees, and authentic Italian sandwiches made to order in front of your eyes, Rocco's Deli Italiano brings back the bona fide deli that conjures up the nostalgia of Mama's home cookin' back in the Bronx.

Whether from the East Coast, the West Coast, or right in between, you can always find something on the menu that will make your mouth water and you will always feel at home at Rocco's, the authentic Deli Italiano.
